Re: *Graham v. UMG Recordings, Inc.*, 1:25-cv-00399-JAV
Letter Submission re Jointly Filed Proposed Protective Order

Dear Judge Vargas,

Pursuant to Rule 5(N) of the Court's Individual Rules, the Parties submit this letter in support of the jointly filed proposed protective order to govern discovery in the above-captioned case, attached as Exhibit 1. Pursuant to the Court's Individual Rules, the proposed protective order conforms as closely as possible to the Court's Model Protective Order. The Parties have proposed certain, limited changes to the provision regarding the use of the attorneys' eyes only designation. Attached to this letter as Exhibit 2 is a blackline showing the changes to the Court's Model Protective Order. The reason for this alteration is that the Parties agree this case is likely to involve the production of certain categories of highly confidential or proprietary business information, specifically, previously undisclosed contracts and information regarding business relationships with non-parties to this litigation, the disclosure of which would be highly likely to cause significant harm to Defendant UMG Recordings, Inc. or Plaintiff Aubrey Drake Graham. The Parties submit that discovery will be more efficient if the Parties have the ability to designate these limited categories of documents as attorneys' eyes only without needing to provide notice and justification on a document by document basis. With respect to all other categories of documents that the Parties wish to designate as attorneys' eyes only, the Parties will follow the standard procedures set forth in this Court's template.

Respectfully submitted,

s/ M. Annie Houghton-Larsen
